ABOUT US : FULMINARE SOCIAL HELP FOUNDATION

Our Foundation is a Registered Non-Profit Organization dedicated to uplifting marginalized communities and fostering sustainable development in **Rohatas, Bihar**. Since its inception, our foundation has actively worked to address some of the region's most pressing **social challenges, including health, education, and economic empowerment**.

During the **COVID-19 pandemic**, we stepped up to provide critical support by giving out food, masks, and sanitizers to vulnerable people. **Our current projects include skill training for young people, women's empowerment programs, and educational support for underprivileged children**. We also care deeply about the environment, organizing tree planting and cleanliness drives in our area. Our foundation also organizes health camps that bring free medical checkups and medicine to rural communities, and we lead projects that strengthen local development.

“At Fulminare, we believe everyone deserves access to education, art, and culture, and we work hard to make these available to all.”

Our foundation is officially registered under the **NGO Darpan with a unique ID "BR/2021/0273504"** and licensed by the Registrar of Companies as a Section 8 non-profit. **Fulminare Social Help Foundation was founded on September 16, 2020, by Sumit Kumar and Satyendra Kumar Patel.**

“Our mission is to build a more equitable society by fostering awareness, empowerment, and opportunity for all.”

Awareness

Covid-19 Pandemic Relief Activities organized by **"FULMINARE SOCIAL HELP FOUNDATION NGO"** at **Rohtas** district in **Bihar** state. COVID-19 has emerged as global pandemic affecting almost the entire globe. This has tested public health preparedness to the optimum level even in developed countries who are still struggling to deal with the situation. In India as on 08-04-2020 there were 5171 active cases of COVID-19. The COVID-19 has created fear and made us realize how bad this can turn out to be for the poorest, for those who will lose their livelihood, or those who wouldn't know what to do to save themselves when the virus has reached someone close to them. It has also put additional strain on the already challenged healthcare system.

Awareness programs on COVID-19 were conducted in all the adopted villages during lock down and Corona period to control the spread of pandemic disease in adopted villages. Through intensive visits about 500 villagers and migrant workers were provided mask and sanitizers. The method of immunity boosting were demonstrated among rural resident through medicinal kadha preparation, tulsi extract and yoga practices. Saplings of Giloe, Bramhi, Tulsi, Butch, Piper, stevia were also distributed free of costs to the villagers for kitchen gardening and for domestic uses. Migrant workers were also motivated for yoga and ayurvedic kadha. During this pandemic, our organization **"FULMINARE SOCIAL HELP FOUNDATION"** was told about the measures to avoid the epidemic and all kinds of steps were taken to spread awareness among the people and to wash hands from time to time, maintain social distancing among the people. Advised. Along with this, free distribution of dry ration, mask, hand sanitizer was done among the people.

Our Activities & Programs

Skill development training to youth

Skill development training for youth organized by "FULMINARE SOCIAL HELP FOUNDATION" Non Profit at Rohtas district in Bihar & other state. Skill development Training is a process of identifying your skill gap and ensuring you develop these skills. Your skills determine your ability to execute plans and achieve your goals. Skill development and training is an integral part of an employee's life. Basic education and theoretical knowledge is not enough for making a good carrier in today's time for youth. They need to develop their skill in any sector like hardware, software, electric or electronics, so we are running a computer institute for needy youths, where we provide all types of software and hardware courses related to computer like – Ms office (Word, Excel, Power point), Tally Erp 9 and DTP . In rural areas lack of awareness about digital education, competitive environment among youth for getting a job, our institution is working to solve this problem. From computer training centre's inception we have provide eighty youths – boys & girls free basic computer education and is continue.

Rural Development Activities

Rural development activities organized by NGO FULMINARE SOCIAL HELP FOUNDATION" at Rohtas district in Bihar and other state. The term rural refers to or is characteristic of the countryside rather than the town. Rural development is the process of improving the quality of life and economic well-being of people living in rural areas, often in relatively isolated and sparsely populated areas. Rural Development is the process of improving the quality of life and economic well-being of people living in rural areas, often relatively isolated and sparsely populated areas. Rural Development has traditionally centered on the exploitation of land-intensive natural resources such as agriculture and forestry. However, changes in global production networks and increased urbanization have changed the character of rural areas. Increasingly tourism, niche manufacturers, and recreation have replaced resource extraction and agriculture as dominant economic drivers.

Plantation and cleanliness

Education Development Activity organized by "FULMINARE SOCIAL HELP FOUNDATION" at **Rohtas** district in **Bihar** state. The president of the organization, told that there are many reasons behind why tree plantation is important. One of the main reasons is that trees provide life-giving oxygen, without which the existence of mankind is not possible. The president of the organization, appealed to the people that they must plant a tree in their lifetime and take care of it. The members of the organization inspired people to protect the environment by planting trees with their own hands to do this sacred work. Cleanliness campaign in India that aims to clean up the streets, roads and various infrastructures of the Indian cities and the rural areas. This cleanliness drive is being carried out to pay a tribute to Mahatma Gandhi who had envisioned India as a clean country free of unpleasant sites and diseases. The main moto of this cleanliness drive is to achieve a disease free India.
