“Real impact begins when compassion meets action.”

FULMINARE SOCIAL HELP FOUNDATION

Founder's Message

Dear Friends and Partners,

At Fulminare Social Help Foundation, we believe meaningful change begins in the village and grows through trust, dignity and shared action. During 2025–26, our teams and volunteers worked across education, health, climate action, women empowerment, rural livelihoods and animal welfare to respond to the real needs of communities.

From Shiksha Dangal and digital skills sessions for rural youth, to senior citizen health support, community awareness, farmer guidance and emerging ambulance initiatives, each effort has been shaped by local participation and a deep commitment to service. Our journey is guided by the belief that no family, child, woman, farmer, elder or vulnerable animal should be left behind.

This report shares our progress, lessons and future priorities. We remain grateful to our volunteers, community leaders, supporters, CSR partners and well-wishers who continue to stand with us. Together, we will keep moving from rural roots to global impact.

Warm regards,

Sumit Kumar

Education & Youth Empowerment

1 Shiksha Dangal 2026

Shiksha Dangal is a grassroots education initiative designed to motivate rural students, identify talent and strengthen learning aspirations. The activity created an encouraging platform for students and families in and around Rehari, Rohtas.

Highlights:

- ✓ Community-based student participation
- ✓ Motivation for education, scholarships and recognition
- ✓ Local visibility for rural talent
- ✓ A platform connecting aspiration with opportunity

Why this matters

Education and digital access help rural youth move from exclusion to opportunity.

2 Digital Skills & AI Awareness for Rural Youth

The digital skills initiative introduced rural youth to basic computer use, internet familiarity, practical digital learning and early awareness of AI-enabled opportunities.

Highlights:

- ✓ Practical computer exposure
- ✓ Internet and digital learning orientation
- ✓ Confidence building for rural youth
- ✓ Career-linked awareness and future readiness

Education & Opportunity

Shiksha Dangal 2026, Rehari, Rohtas

Shiksha Dangal 2026 brought together rural students in a structured learning and assessment environment. The initiative was designed to encourage academic ambition, recognition, and access to opportunity for students from underserved communities. Held in Rehari, Rohtas, the event reflected community participation, student energy, and a shared belief that education can transform rural futures.

“

Education opens doors

Recognition, Rewards & Student Motivation

Celebrating effort through visible opportunity

Alongside learning, Shiksha Dangal 2026 celebrated student effort through visible recognition. Bicycles, digital devices, trophies, certificates, and public appreciation helped motivate students and families to value academic progress. These moments of recognition turned participation into pride and encouraged young learners to aim higher.

“

**Recognition builds
confidence and keeps
students moving forward.**

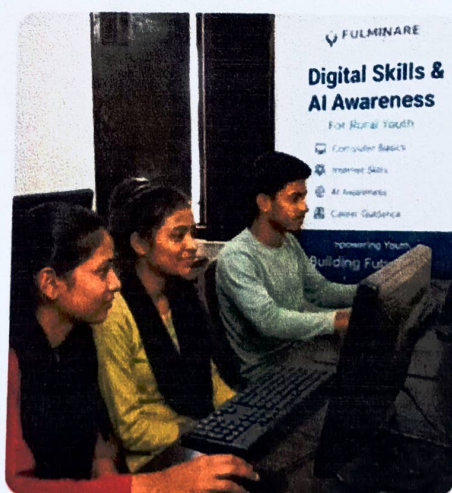

HIGHLIGHTS

-  Trophies and certificates
-  Student motivation
-  Community celebration
-  Opportunity-linked encouragement

Digital Skills & AI Awareness

Preparing rural youth for a digital future

Digital learning has become essential for educational access, employability, and confidence. Through digital skills and AI awareness activities, rural youth were introduced to basic digital literacy, online learning exposure, practical technology use, and career-oriented orientation. These efforts aimed to reduce the digital gap and help students imagine a stronger future in a fast-changing world.

“

Digital access is no longer optional for rural youth.

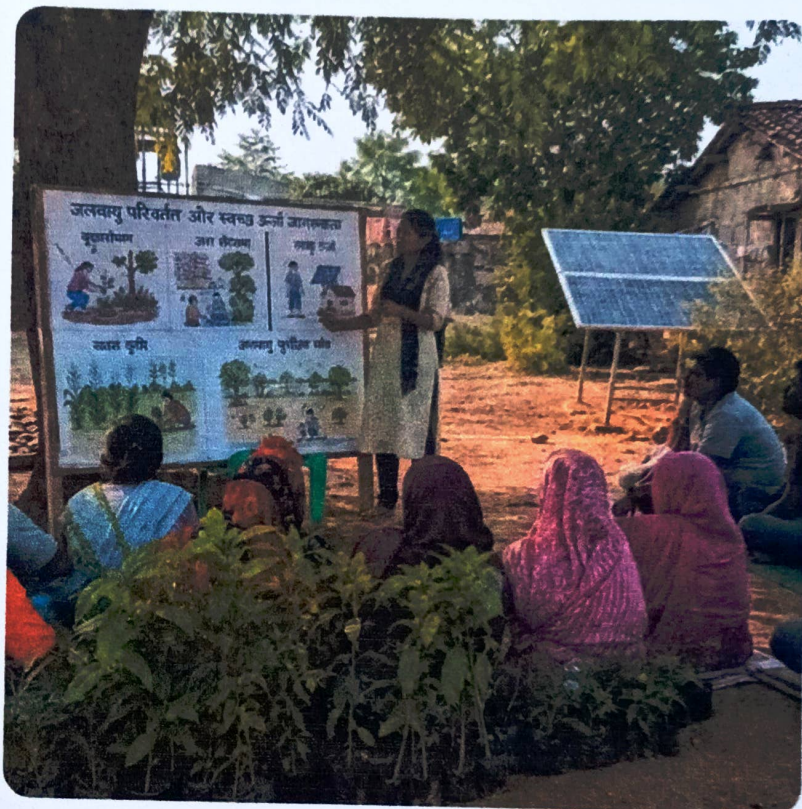

FOCUS AREAS

-  Basic digital literacy
-  Internet and online learning exposure
-  AI awareness and confidence
-  Career readiness for rural youth

Climate Awareness & Clean Energy Action

From awareness to practical rural solutions

Climate awareness becomes meaningful when communities can connect learning with practical action. Through awareness activities and clean-energy related support, the organization encouraged environmental responsibility, community discussion, and the adoption of cleaner household practices. The work highlighted how sustainability, dignity, and rural resilience can move together.

“

Climate action becomes real when households can adopt practical solutions.”

OUR ACTIONS

Environmental awareness

Clean energy conversation

Community participation

Rural resilience and sustainability

Health Outreach & Senior Citizen Support

Bringing care, dignity, and support closer to home

Health outreach in rural communities often begins with simple but essential support—basic screenings, home-based attention, referral assistance, and compassionate engagement with senior citizens. The organization's activities focused on dignity, preventive awareness, and community care for vulnerable people who are often underserved. By taking support closer to homes and villages, these efforts helped build trust and responsiveness.

“

Care is most meaningful when it reaches people where they are.

CARE IN ACTION

- Basic health screening
- Elder support and dignity
- Community outreach
- Rural care access

AT A GLANCE

- Location:** Rehari, Rohtas, Bihar
- Focus:** Senior citizens & vulnerable communities
- Theme:** Health outreach & dignified elder support

Women Empowerment & Dignity

Awareness, participation, and confidence in community life

Women's empowerment grows through knowledge, participation, and dignified access to information and support. Through awareness-oriented activities and community engagement, the organization encouraged women and girls to take part in learning spaces, health dialogue, and practical discussions that strengthen everyday confidence. These efforts aimed to make participation more informed, visible, and respected.

“

Dignity begins with knowledge, access, and participation.

OUR FOCUS

-  Community awareness
-  Confidence and participation
-  Learning spaces for women
-  Dignity-centered engagement

Agriculture & Livelihood Resilience

Supporting rural families through practical field engagement

Agriculture remains central to rural livelihoods, and practical field engagement can strengthen both confidence and resilience. Through farm-based interaction and community guidance, the organization highlighted sustainable practices, livelihood awareness, and support for rural families working close to the land. The approach focused on learning by doing and on building stronger local capability over time.

“

Rural resilience grows when knowledge reaches the field.

KEY PILLARS OF LIVELIHOOD RESILIENCE

Farmer engagement

Practical field learning

Sustainable rural livelihoods

Community resilience

Animal Rescue & Compassion in Action

Care, first response, and kindness for vulnerable animals

Animal welfare is closely linked to compassion, community responsibility, and timely care. Through rescue-oriented support and awareness, the organization emphasized humane response for vulnerable animals, especially street dogs in need of food, first aid, or recovery support. The mission reflects a broader belief that compassionate communities protect both people and animals.

“

Compassion becomes visible when care reaches the most vulnerable.

OUR ACTIONS

Basic rescue support

Food and first response

Community awareness

Humane coexistence

Recognition, Team & The Road Ahead

People, partnerships, and purpose driving the mission forward

Behind every community initiative is a team of committed people, volunteers, and supporters who carry the mission forward. Public recognition moments, field leadership, and community trust together strengthen the organization's ability to grow. As the work expands, the focus remains on people-centered impact, stronger partnerships, and a clear roadmap for deeper rural outreach.

“

Strong community institutions grow through people, trust, and continuity.

THE ROAD AHEAD

-  Community recognition
-  Local leadership and teamwork
-  Partnership readiness
-  Forward-looking impact vision

Digital Skills & AI Awareness — Detailed Program

Preparing rural youth for a digital future

Our **Digital Skills & AI Awareness** program equips rural youth with the essential skills to thrive in a digital world. Through hands-on sessions, participants learn **computer basics**, **internet use**, **online learning**, and the responsible use of AI tools.

The program also focuses on **career guidance** and **digital confidence-building**, helping youth access educational resources, explore opportunities, and prepare for future employment.

By combining **practical exposure** with **awareness** and **mentorship**, we empower rural youth to transform knowledge into **livelihood** and **leadership**.

“

Digital inclusion expands both learning and livelihood possibilities.

FOCUS AREAS

Computer basics and practical digital skills

Internet use and access to online learning

AI awareness and responsible use

Career guidance and digital confidence-building

Youth Mentorship & Career Pathways

Guiding students from aspiration to preparedness

Through mentorship and career-readiness sessions, rural youth gain the practical skills and confidence they need to take the next step toward higher education and meaningful careers.

Students are introduced to resume building, email basics, LinkedIn basics, and interview preparation, and higher education guidance through hands-on activities, real examples, and one-on-one support.

These sessions create clarity, build confidence, and open doors to opportunities that strengthen futures and empower rural youth to lead with purpose.

“

A mentor can help transform uncertainty into direction.

MENTORSHIP COMPONENTS

-  Resume
-  Email etiquette
-  Profile building
-  Interview confidence
-  Higher education direction

Climate & Clean Energy Initiative

Promoting awareness, clean cooking, and community resilience

Rural communities are among the most vulnerable to climate change, yet they hold the power to lead sustainable solutions. Through the **Climate & Clean Energy Initiative**, FSH Foundation empowers communities with knowledge, practical tools, and sustainable energy options for a healthier and climate-resilient future.

We organize **climate awareness** sessions on topics like water conservation, afforestation, waste management, and renewable energy. Trainings encourage households to adopt clean cooking solutions that reduce smoke, save time, and lower energy costs.

The distribution of **solar induction cookers** supports families in shifting to cleaner, safer, and more efficient cooking—reducing dependence on firewood and cutting carbon emissions.

Aligned with **SDG 7** (Affordable and Clean Energy) and **SDG 13** (Climate Action), this initiative builds awareness today and secures a sustainable tomorrow for our communities.

Our Planet, Our Responsibility

Small actions today,
a better future tomorrow.

Use Clean Energy

Protect Nature

Stronger Communities

INITIATIVE FOCUS

Clean Cooking Solutions

Solar induction cookers promote smoke-free kitchens, better health, and time & fuel savings.

Climate Awareness

Community sessions on climate change, water conservation, waste management, and afforestation.

Clean Energy Adoption

Encouraging the use of renewable energy for a sustainable and affordable future.

Healthier Households

Reducing indoor air pollution and improving the well-being of families, especially women and children.

Rural Outreach

Reaching underserved villages with knowledge, tools, and practical support.

SDG 7

AFFORDABLE AND CLEAN ENERGY

SDG 13

CLIMATE ACTION

Sustainable Agriculture & Farmer Support

Strengthening soil health, learning, and climate-resilient farming

Sustainable agriculture is the foundation of rural prosperity and food security. Our programs promote organic farming, soil health management, and climate-resilient practices that increase productivity while protecting the environment.

Through farmer trainings, field demonstrations, and one-on-one support, we help farmers improve soil fertility, use natural inputs, adopt water-smart techniques, and diversify crops for greater stability and income.

These efforts empower smallholder farmers with knowledge and confidence to face climate challenges and build a sustainable agricultural future for their families and communities.

FARMER SUPPORT AREAS

-  Practical training & field demonstrations
-  Soil health awareness & natural inputs
-  Sustainable cultivation & organic farming
-  Climate resilience & adaptive practices

“

Rural resilience grows when farmers gain knowledge, not just inputs.

Health Outreach & Medical Support

Bridging the rural health awareness and access gap

Access to timely healthcare remains a major challenge in rural areas. Through community outreach, health awareness sessions, and essential medical support, we aim to ensure that no one is left behind.

We distribute basic health kits, promote hygiene and nutrition awareness, and support patients in connecting with appropriate medical care. Our initiatives focus on prevention, early detection, and quick response during emergencies.

Community participation and health education strengthen families and build healthier, more resilient villages.

“

Healthcare becomes meaningful when it reaches the last mile in time.

GOOD HEALTH, STRONGER COMMUNITY

PREVENT
Stay clean, eat healthy, stay active

CHECK
Regular check-up helps in early detection

CARE
Timely treatment saves time and lives

RESPOND
Call for help in emergencies, act quickly

TOGETHER, WE CAN BUILD HEALTHIER VILLAGES.

PROGRAM PRIORITIES

Health awareness for all age groups

Basic health screening and prevention

Referral and support for further treatment

Strengthening rural health access

Addressing emergency response gaps

Senior Citizen Health & Dignity Support

Supporting elderly well-being with care, nutrition, and respect

Our programs ensure that senior citizens receive the care, nutrition, and respect they deserve. Regular health check-ups, especially **blood pressure monitoring**, help detect health issues early and prevent complications.

Nutritious food support strengthens their immunity and overall well-being, while **home-based visits** bring care directly to those who cannot travel.

Beyond health, we focus on **dignity**—listening, respecting, and ensuring that no senior citizen feels left behind.

With community support, we create a compassionate environment where our elders **live safely, stay healthy, and feel valued** every day.

“

Dignity in old age begins with care that is respectful, regular, and close to home.

SUPPORT COMPONENTS

-  Blood pressure monitoring & basic health check-ups
-  Nutrition support for better health & immunity
-  Basic health attention & timely guidance
-  Home-based outreach & follow-up care
-  Dignity-centered care with respect & compassion

Women Empowerment & Dignity for Pad

Advancing menstrual hygiene, confidence, and community leadership

Good menstrual health is essential for the well-being, education, and participation of every woman and girl. Our initiatives focus on breaking taboos, building knowledge, and ensuring access to safe, hygienic solutions.

Through **awareness sessions**, practical **training**, and open **dialogue**, women gain **confidence**, support each other, and take **leadership** roles in their communities.

We believe that **empowered women** create stronger families, healthier communities, and a brighter future for all.

Good Health. Dignity. Confidence.
Every Month. Every Woman.

Break the silence.
Build a healthier tomorrow.

“

When women receive dignity, information, and voice, communities move forward.

EMPOWERMENT AREAS

-  Menstrual hygiene awareness
-  Dignity and confidence
-  Training and dialogue
-  Women-led participation
-  Community learning

Animal Rescue & Compassion Mission

Care, awareness, and humane support for vulnerable community animals

Street animals often face hunger, injury, illness, and neglect. Our Animal Rescue & Compassion Mission brings timely care and kindness to these voiceless companions. Through rescue support, vaccination drives, awareness campaigns, and protection initiatives, we are working to create safer and more compassionate communities for animals.

Every life matters—whether it barks, purrs, or flies. Together, we can build a world where animals are treated with respect, empathy, and care.

Our Wider Vision for Animal Welfare

Animal Ambulance Vision

Future plan to launch a dedicated animal ambulance for fast rescue and emergency care.

Rabies Vaccination

Regular vaccination drives to prevent rabies and ensure safer communities for animals and people.

Awareness & Education

Community outreach on kindness, responsible care, and the importance of animal welfare.

Bird Shelters

Creating safe spaces, water points, and shelters to protect birds, especially in extreme weather.

Care for Dogs

Rescue, feeding, first aid, and compassionate support for injured and abandoned dogs.

“

Compassion for animals helps build kinder communities.

MISSION PRIORITIES

Rescue Response: Timely rescue and transport for injured and distressed animals.

Feeding & First Aid: Nutrition, basic treatment, and recovery support for animals in need.

Humane Awareness: Promoting kindness, responsible pet care, and community empathy.

Rabies Prevention: Vaccination, monitoring, and disease prevention for safer living.

Future Plans: Animal ambulance for emergencies and bird shelters for protection.

SDG Alignment

How our grassroots work connects with global development priorities.

We believe lasting change happens when local solutions advance global goals. Our programmes contribute directly to the Sustainable Development Goals (SDGs) by addressing real community needs with compassion, equity, and collective action.

1 No Poverty We strengthen families through community support, dignity assistance, and rural resilience.  	2 Zero Hunger We promote nutrition support, elderly wellbeing, and farmer-linked household resilience.  	3 Good Health & Well-Being We deliver health outreach, regular checkups, awareness sessions, and emergency support.  
4 Quality Education We empower children through Shiksha Dangal, youth learning support, and improved digital access.  	5 Gender Equality We ensure dignity through pad support, women awareness programmes, and women leadership.  	7 Affordable & Clean Energy We advance clean energy access through solar induction cookers and clean cooking awareness.  
13 Climate Action We build climate awareness and encourage cleaner household practices for a greener future.  	15 Life on Land We promote sustainable agriculture, community ecology, and compassion for animals.  	17 Partnerships for the Goals We collaborate with donors, volunteers, CSR partners, and communities to multiply impact.  

Our mission translates local action into globally relevant outcomes.

Community Voices / Beneficiary Stories

Short human stories that reflect hope, dignity, and change at the grassroots.

Behind every number is a person, a family, and a journey of courage. These real stories from the field remind us why this work matters and why partnerships make lasting change possible.

“When support reaches people with dignity, trust becomes the foundation of change.”

1 A Student's Confidence

Pooja, a student from Rohtas, discovered new motivation through Shiksha Dangal and continuous academic support. Recognition and encouragement helped her believe in her potential and aim higher.

2 Care at the Doorstep

During a home visit, our team supported an elderly beneficiary with a blood pressure checkup and basic guidance. Small acts of care at the doorstep bring health support and a deep sense of dignity.

3 Learning for Livelihoods

Through field visits and practical guidance, farmers learned about soil care, crop planning, and climate-aware practices. Conversations in the field strengthen knowledge and hope for better harvests.

4 Women Learning Together

In small group sessions, women learn, share, and grow together. From family wellbeing to rights and awareness, these spaces build confidence, unity, and collective strength in the community.

Volunteer & Team Engagement

Local leadership, youth participation, and community presence power our grassroots action.

Our work is driven by committed volunteers, youth leaders, and field teams who stand with communities every day. They help plan, organize, implement, and follow up—ensuring that support reaches those who need it most.

Field Coordination

Local teams help organize outreach, logistics, and beneficiary support.

Youth Leadership

Young volunteers and community members help mobilize participation, awareness, and trust.

Event and Documentation Support

Teams support community events, student engagement, and local visibility.

Community Presence

Grassroots teams stay close to villages, schools, and households, making programmes more responsive.

What Makes the Team Model Effective

PROGRAM HIGHLIGHTS

FAST ACCESS. REAL IMPACT.

24/7 ambulance support ensures rapid response in critical situations across rural areas.

FREE SERVICE. ONLY FUEL COST.

We never charge for emergency service. Families pay only the fuel cost when they can afford.

VILLAGE TO HOSPITAL CARE.

Safe and timely transport to the nearest appropriate hospital for advanced care.

BRIDGING THE RURAL GAP.

We reach places where healthcare is far, transport is scarce, and help is rare.

LifeSaver Ambulance Mission

Fast help. Every life. Every village.

In rural India, every minute counts — and every mile matters. Our LifeSaver Ambulance Mission provides timely emergency medical transport to bridge the distance between crisis and care.

A Story of Hope

Late one evening, 68-year-old Ramdhani Prasad from a nearby village collapsed with severe chest pain. The family had no transport and no time. Our LifeSaver team reached within 25 minutes, stabilized him on the way, and rushed him to the district hospital. He received timely treatment and is now back home with his family.

“ We thought we would lose him that night.
The ambulance came like an angel.
Thank you for giving my father a second life. ”

– Sushma Devi, Family Member

Dogs & Animals Rescue Ambulance Mission

 Launching 1 July 2026

Compassion in Action. Lives in Protection.

We are launching a dedicated **Animal Rescue Ambulance Mission** to respond swiftly, treat compassionately, and protect the voiceless.

Our mission will bring timely rescue, medical care, and awareness services across Bihar, Uttar Pradesh and Jharkhand—reaching animals in distress and building a kinder, safer environment for all.

Our Coverage Vision

Bihar • Uttar Pradesh • Jharkhand

What Our Mission Will Deliver

Rescue Response

24x7 ambulance service to rescue injured, sick, and distressed animals across high-need areas.

First Aid & Treatment

On-site first aid, wound care, and referral support to partner veterinary hospitals.

Rabies Vaccination

Community awareness and rabies vaccination drives to protect animals and people together.

Food & Animal Kits

Distribution of nutritious food, basic medicines, and care kits for animals in need and community feeders.

Mission Vision

- ✓ A future where every animal is safe, healthy, and treated with compassion.
- ✓ Stronger communities that care, protect, and coexist.
- ✓ A model of kindness that inspires lasting change.

Because every life matters.

KINDNESS DRIVES CHANGE

Rescue today. Protect tomorrow.
Build a compassionate world,
together.

Be the reason a life is saved. Your support will power every rescue, every treatment, and every act of kindness. Together, let's build a world where no animal suffers alone.

Support the Mission.
Stand with Compassion.

Thank you for standing with the voiceless.
Your trust. Our responsibility. Their second chance.

Fulminare LifeCity Vision
